

## **PRINCETON EMERGENCY MANAGEMENT**

**To:** Mayor and City Council

**Date:** 07/11/2024

**From:** Emergency Management Team, Ron Lawrence, Todd Frederick and Bob Gerold

**Regarding:** Speed/Sign Trailer Purchase

Our current speed sign trailer was severely damaged by a vehicle that hit it. After turning the damage over to insurance, they had decided to cover the replacement cost of a new trailer. This will be the same exact trailer as we had before. We have used this trailer several times during the year for speed patrol and signage during special events.

I am just informing you that we will be purchasing a new trailer and you may see the cost come through the billing. The replacement cost is \$18,330.60. Insurance is going to reimburse us for the cost of the trailer, toolbox and graphics that we have on it.

Please let me know if you have any questions. Thank you.
