

Princeton Police Department

Memorandum

To: Princeton City Council

From: Chief Todd Frederick

Date: 08-16-2021

Regarding: Purchase Tactical Armor, Capital Improvements request 2021

The Princeton Police Department has currently budgeted \$44,500.00 for body armor through the 2021 Capital Improvements Program. The current quote from Streicher's is \$44,496.89.

I am asking for City Council approval to purchase the tactical body armor for the Princeton Officers under the state bid price through Streicher's Law Enforcement Equipment.

A motion to approve and continue with the purchase of the tactical body armor is recommended.

If you have any questions please don't hesitate to ask. Thank you.

Chief Todd Frederick
Princeton Police Department
