

## Safety

The DCHC Safety Committee is dedicated to building a culture of safety through, Risk Analysis & Mitigation, Training, Education and Policy Development.

### Clinical Measures:

Measure	FY23
Decrease Patient Falls	Count=3
Decrease 30-day same hospital readmissions	Count = 0
Decrease Adverse Drug Events (category D-I)	Count = 1
Decrease Potential ADEs (category C)	Count = 1

### Safety Initiatives:

1. Will be transitioning from A.L.I.C.E. to Run/Hide/Fight for Active Intruders
2. In process of adding additional “alert” buttons in departments for increased security

## Quality

The mission of Davis County Hospital and Clinics is to provide high-quality, patient-centered care with integrity and trust
