

STATE BOARD FOR COMMUNITY COLLEGES AND OCCUPATIONAL EDUCATION

September 14, 2022

TOPIC: Comprehensive Academic Plans

PRESENTED BY: Landon K. Pirijs, Ph.D., Vice Chancellor for Academic and Student Affairs

EXPLANATION:

Board Policy 9-20 requires each CCCS college to develop a Comprehensive Academic Plan (CAP) and to update that plan every academic year. Each CAP should describe the goals and the priorities of the college for the academic year in line with facility and technology planning goals. CAPs are to be submitted to the Vice Chancellor for Academic and Student Affairs in May of each year for approval.

This report that included a CAP for all 13 CCCS colleges was submitted to the Board in May 2022. This presentation is to share with the Board some highlights of submitted CAPs and answer any questions Board members may have.

RECOMMENDATION:

No action is required.
