# What We Do

---

Externally, we engage with state agencies, elected officials, community partners, and many more to effectively advocate and communicate CCCS's strengths as a state and national leader in providing high-quality, accessible, affordable post-secondary education and workforce training.

Internally, our team works collaboratively with System Office leadership and departments, and the presidents and staff at each of our 13 Colleges.

# Functional Areas

---

➤ **Legislative Affairs:** Advocacy, State & Federal Government Relations

Represent CCCS's interests to state leaders and policy makers through comprehensive advocacy and outreach initiatives.

Track and engage with bills introduced by Colorado's General Assembly during the legislative session.

Work to advance the interests of the System by serving as a resource to Washington-based policymakers, including Colorado's Congressional delegation and educational associations.
