Policy Statement

The State Board for Community Colleges and Occupational Education (SBCCOE or Board) recognizes that proper management and disposal of property, including surplus property, is necessary in order to maintain appropriate stewardship of public property and promote sustainability, fairness, and transparency. All management and disposal of property shall be in accordance with applicable laws and fiscal rules.

Scope

This policy applies to the Colorado Community College System, including its Colleges (CCCS or System).

Procedures

The Chancellor shall promulgate such procedures as may be needed to implement this policy.
