

## **TRANSFORM THE STUDENT EXPERIENCE**

- **FORMER PROBATIONER EARNS PAIR OF DEGREES AT ACC**

An unstable family situation and problems at home culminated with a probational stint for Nicole Choromanski when she was a teenager. Nearly 15 years later, Choromanski has worked tirelessly to turn her life around full circle, as the two-time ACC graduate was recently hired as a probation officer with Colorado's newly formed 23rd Judicial District. - **WILLIAMS BRINGING IDEAS, CAREER PATH TO LIFE AT LEGACY CAMPUS**

Ian Williams struggled to find his way academically in high school, so much so that he stopped going after just two years. He wound up completing his GED, and at the suggestion of a family friend who worked at ACC, decided to enroll in the Robotics & Automation Technology AAS degree program in the summer of 2022. Now, Williams is bringing more than just his ideas to life, he's bringing his passion to life while opening doors for his future. [FULL STORY](#)
