From the Office of the CEO

There is still time to **submit nominations** for FSMB's annual awards, which recognize individuals who have excelled in protecting the public through medical regulation. Nominations should be submitted by next Monday, December 16.

State medical board members and staff work very hard, day in and day out, yet the long hours and sacrifice they put in as distinguished public servants are not always publicly recognized. I encourage you to give this opportunity some consideration and to also ask others at your board or organization who might be worthy of such a nomination.

The awards, which include the Award of Merit, the Leadership Award, the Distinguished Service Award, and the Lifetime Achievement Award, are determined by an Awards Committee and will be presented at FSMB's Annual Meeting in Seattle in April 2025.

DEADLINE NEARS: FSMB award nominations due December 16

FSMB invites the state medical board community to submit nominations for its annual awards honoring excellence in medical regulation. **Nominations should be submitted by Monday, December 16.**
