

KENNETH HERSKOWITZ, M.D.
CURRICULUM VITAE

Updated: 12-9-20

BIOGRAPHICAL DATA

Date of Birth: July 31, 1960

Place of Birth: Tampa, Florida

Citizenship: U.S.A.

Marital Status: Married, Elena R. Herskowitz, October 1994
Children – Brian, Billy, Matthew

Office Telephone: 954-355-4665
Office Fax: 954-355-4881

Office Address: Broward General Medical Center
1625 SE 3rd Ave, Suite 300
Fort Lauderdale, FL 33316

Staff Privileges: Broward General Medical Center
1600 South Andrews Ave
Ft. Lauderdale, FL 33316

Holy Cross Hospital
4725 North Federal Highway
Ft. Lauderdale, FL 33308

Broward Health North
201 East Sample Rd
Pompano Beach, FL 33064

Broward Health Imperial Point
6401 N Federal Highway
Fort Lauderdale, FL 33308

PROFESSIONAL DATA

Medical Director of Cardiovascular and Thoracic Surgery
Broward General Hospital, The Heart Center of Excellence
Oct 2010 - Present

Heart Lung Surgical Institute of South Florida, LLP
Cardiovascular and Thoracic Surgeon, Private Practice
Fort Lauderdale, Florida
July 2004 – 2010

Kenneth Herskowitz, M.D. , P.A.
Cardiovascular and Thoracic Surgeon, Private Practice
South Florida Cardiovascular Surgery Associates
Fort Lauderdale, Florida
March 1997 – July 2004

Assistant Professor of Clinical Surgery
Division of Cardiothoracic Surgery
University of Miami/Jackson Memorial
July 1994 – Present

Director Thoracic and Endovascular Surgery
Broward General Medical Center
2005 – 2009

Chief, Cardiac Surgery
Northridge Medical Center 2002 - 2004

Chief, Cardiothoracic Surgery
Veterans Administration Hospital (Miami)
July 1994-March 1997

Member, Clinical Advisory Committee, Jim Moran Heart
And Vascular Research Institute
2007 - 2008

Director, Circulatory Support Programs
University of Miami School of Medicine
(Abiomed/Heartmate Certified) (1994 – 1997)

HIGHER EDUCATION

Tulane University
New Orleans, Louisiana
B.S. in Biology-Summa Cum Laude, 1978-1982

Baylor College of Medicine
Houston, Texas
M.D. Degree 1982-1986

General Surgery Internship and Residency
Baylor College of Medicine
Houston, Texas, 1986-1989, 1990-1992

Fellowship in Surgical Metabolism
University of Florida
Gainesville, Florida 1989-1990

Resident and Chief Resident in Cardiothoracic Surgery
University of Miami/Jackson Memorial Medical Center
Miami, Florida 1992-1994

LICENSURE

Florida State License - #ME 0062923
Texas State License - #H 3575 (Inactive)

BOARD CERTIFICATION

American Board of Surgery, 1993 (No. 38727)
American Board of Thoracic Surgery, 1995 (No. 5658)
Recertification 2005

HOSPITAL AFFILIATIONS

Broward General Medical Center
Holy Cross Hospital
Broward Health North
Broward Health Imperial Point

PROFESSIONAL ASSOCIATIONS

Society of Thoracic Surgeons
American College of Surgeons, Associate Fellow
American Medical Association
Broward County Medical Association
Veterans Administration Surgeons Society
Florida Thoracic Society
Texas Medical Association
Michael E. DeBakey International Surgical Society
Florida Medical Association
International Society for Heart and Lung Transplantation

SPECIALTY INTERESTS

Minimal Invasive Aortic/Mitral Valve Procedures
(Davinci Robot Certified)
Transcatheter Aortic Valve Replacement (TAVR)
Transcatheter Mitral Valve Repair/Replacement
Complex Aortic/Mitral Valve Repair
Beating Heart Coronary Bypass Surgery
Cardiac Arrhythmia Surgery

Transmyocardial Revascularization (Laser Surgery)
Endovascular Repair AAA
Thoracic/Thoracoabdominal Aneurysm Specialty
General Thoracic and Vascular Surgery

AWARDS

Gold Coast Best Docs of South Florida 2008 - 2015

American Heart Association Outstanding contributions to Cardiac Surgery
Honoree 2007

Resident Research Award; The Association for Academy Surgery Meeting,
Houston, Texas, November 1990. "Effects of endotoxin on glutamine transport
by pulmonary endothelial cells".

RESEARCH

Principal Investigator

OXYGENT-A Phase 3, Single-Blind, Randomized, Parallel-Group, Multicenter,
Controlled Study of the Effectiveness of 2.7-g PFC/kg of Perflubron-Based
Emulsion (AF0144) to Augment Intraoperative Autologous Donation and Avoid
Transfusion of Allogeneic Red Blood Cells in Patients Undergoing Primary
Coronary Artery Bypass Graft Surgery Under Cardiopulmonary Bypass.
Sponsor: Alliance

Principal Investigator

PRIMO CABG- A Phase III Randomized, Parallel, Double-Blind, Multi-Center,
Placebo-Controlled Study of the Effect of Pexeli-zumab on All-Cause Mortality
and Myocardial Infarction in Patients Undergoing Coronary Artery Bypass Graft
(CABG) Surgery with Cardiopulmonary Bypass.
Sponsor: Alexion and P&G 2002

Sub-Investigator

BIOMARIN (NEUTRALASE)-A Phase III Comparison of Neutralase to
Protamine in Patients Undergoing Primary Coronary Artery Bypass Graft
Surgery.
Sponsor: BioMarin Pharmaceutical Inc. 2003

Sub-Investigator

PRIMO-CAB II-A Multicenter, Randomized, Double-Blind, Parallel-group,
Placebo-Controlled Study of 2 mg/kg Bolus Plus 24-hour 0.5 mg/kg/hr Infusion
of Pexelizumab in Patients Undergoing Coronary Artery Bypass Grafting with
Cardiopulmonary Bypass.
Sponsor: P& G and Alexion 2004

Sub-Investigator
ACT II Cardiome Trial “A Phase III Study of the Conversion Efficacy and Safety of Repeated Intravenous Doses of RSD1235 in Subjects with Atrial Fibrillation or Atrial Flutter following Valvular or Coronary Artery Bypass Surgery
Sponsor: Cardiome Pharma Corp. 2004

Sub-Investigator
BARI 2D: Bypass Angioplasty Revascularization Investigation 2 Diabetes
2003-2004

Sub-Investigator
Freedom Trial, Future Revascularization Evaluation in patients with Diabetes mellitus: Optimal Management of Multivessel disease. 2005-2007
Principal Investigator
Medtronic Valve sizing study

Principal Investigator
“Heart/Lung Transplantation combined with Bone Marrow Infusion” 2006

Principal Investigator
“The Study of Holmium Laser for Transmyocardial Revascularization” 2006

Principal Investigator
Protocol 06004B, A Randomized, Double-Blind, Placebo-Controlled, Multi-Center Study to Evaluate the Cardioprotective Effects of MC-1 in Patients Undergoing High-Risk Coronary Artery Bypass Graft (CABG) Surgery, Medicare 2007-2008

Sub-Investigator
Protocol 24779, A double-blind, prospective, randomized, placebo-controlled study to Determine the tolerability, efficacy, safety and dose range of intramyocardial injections of G-CSF mobilized Auto-CD34+ cells for reduction of angina episodes in subjects with refractory chronic myocardial ischemia. (ACT34-CMI), Baxter 2007- 2008

Sub-Investigator
Study 2005-01, Prospective aneurysm Trial: High Angle AORfix bifurcated Stent graft 2008-present

Sub-Investigator
MARVEL, A phase II/III double-blind, Randomized, controlled, Multicenter study to assess the safety and cardiovascular effects of MYOCELL implantation by a catheter delivery system in congestive heart failure patients post Myocardial Infarctions. BMI-WW-02-003 BIOHEART 2008-2010

Principal Investigator
Protocol 34976, A 12-Month Follow-Up Study to Protocol 24779 (A Double-blind, Prospective, Randomized, Placebo controlled Study to Determine the

Tolerability, Efficacy, Safety, and Dose Range of Intramyocardial Injections of G-CSF Mobilized Auto CD34+ Cells for Reduction of Angina Episodes in Patients With Refractory Chronic Myocardial Ischemia [ACT34-CMI]). Baxter 2008-2010

Sub-Investigator
Protocol CVBT-CHD07-01, Human Recombinant Fibroblast Growth Factor-1 (FGF-1₁₄₁), for the Treatment of Subjects with Severe Coronary Heart Disease, a Double-blind, Placebo-controlled, Dose-varying Study. Cardiovascular Bio-Therapeutics 2009-2010

Principal Investigator
Protocol P05633 - The Effect Of AcaDesine On Clinically Significant Adverse Cardiovascular and Cerebrovascular Events In High-Risk Subjects Undergoing Coronary Artery Bypass Graft (CABG) Surgery Using Cardiopulmonary Bypass (Protocol No. P05633): RED-CABG Trial (Reduction in Cardiovascular Events by AcaDesine in Subjects Undergoing CABG) 2009-2010

ACTIVITIES 1994-1995

Grand Rounds, Puerto Rico V.A. Cardiology Division – May 1994.

Grand Rounds, Puerto Rico V.A. Cardiology Division – April 1995.

Grand Rounds, General Surgery. “Acute Cardiac Emergencies”, Nov. 1994.

PRESENTATIONS (1995-1996)

Program Director
Aortic Surgery Symposium, September 1995
Guest: Hazim Safi

CCU Nursing Inservice
Circulatory Assist Devices – “Heartmate”
October 1995

CSICU/CCU Nursing Inservice
Circulatory Assist Devices – “Abiomed”
February 1996

Cardiology Update Symposium
“Medical versus Surgical Therapy in Complex Coronary Disease”
February 1996

ABIOMED Regional Symposium
Wet Lab – Insertion of Abiomed
March 1996

Grand Rounds – Puerto Rico V.A.
“1995 Update and Cardiac Transplantation”
April 1996

Grand Rounds – West Palm V.A.
“Cardiac Surgery at Miami V.A. and Future of Cardiac Transplantation”
April, 1996

Transplant Foundation Symposium
“Cardiac Transplantation – New Developments”
May, 1996

CONTINUING MEDICAL EDUCATION

Durham Regional Medical Education Center, HIV Update, September 27, 1995, Miami, Florida (2 hours)

University of Miami Medical Group, Workers Compensation Physicians Course, November 3, 1995, Miami, Florida (5 hours)

University of Miami, “Opening Pandora’s Box-Family Violence-A Physician’s Guide to Identify and Treat Victims of Abuse”, November 27, 1995, Miami, Florida (8 hours)

Armed Forces Institute of Pathology, Risk Management, November 28, 1995, Washington, D.C., (5 hours)

University of Miami, HIV Update, December 8, 1995, Miami, Florida (2 hours)

The Society of Thoracic Surgeons, 29th Postgraduate Program, January 28, 1996, Orlando, Florida (24 hours)

The Society of Thoracic Surgeons 32nd Annual Meeting, January 29-31, 1996, Orlando, Florida (24 hours)

University of Miami, The Management of Congestive Heart Failure: 1996 into the Millennium, June 8, 1996, Coral Gables, Florida (5.5 hours)

University At Buffalo School of Medicine and Biomedical Sciences, Recent Innovations in Cardiac Surgery, August 23-24, 1996, Buffalo, New York (13.5 hours)

University of Miami, Department of Surgery, Grand Rounds, August 7, 1995-May 31, 1996, Miami, Florida (21 hours)

The Florida Society of Thoracic and Cardiovascular Surgeons, 1997 Annual Meeting, February 21-23, 1997, South Miami Beach, Florida (8 hours)

Allina Health System, Experiences in Minimally Invasive Cardiac Surgery, June 19-21, 1997, Minneapolis, Minnesota (13.5 hours)

Medical Education Learning Systems, 1997-1998 Domestic Violence and HIV/AIDS Update, November 26, 1997 (2 hours)

The Mount Sinai School of Medicine, Aortic Surgery Symposium VI, April 30-May 1, 1998 (15 hours)

American Association of Thoracic Surgery 78th Annual Meeting, Boston, Massachusetts, May 3-6, 1998 (15 hours)

American College of Surgeons, 49 Ways To Improve Your Managed Care Contract Results, September 17, 1998, Atlanta, Georgia (6 hours)

Society of Cardiovascular and Interventional Radiology, A Multidisciplinary Approach to Vascular Care Meeting, April 30, 1999-May 1, 1999, Rosemont, Illinois (11 hours)

North Broward Hospital District, Domestic Violence, August 3, 1999, Fort Lauderdale, Florida (1 hour)

North Broward Hospital District, HIV/AIDS Update Independent Study, August 13, 1999, Fort Lauderdale, Florida (2 hours)

North Broward Hospital District, Bioethics at the Bedside: End of Life Care, August 18, 1999, Fort Lauderdale, Florida (2hours)

ProMedica International, CTT 2000, The 6th Annual Cardiothoracic Techniques & Technologies, January 27-29, 2000, Bal Harbour, Florida (26 hours)

The Mount Sinai School of Medicine, Aortic Surgery Symposium VII, April 27-29, 2000 (15 hours)

Eclipse Surgical Technologies, Regional Training for TMR with Eclipse Surgical, July 11, 2000

Florida Heart Institute, Florida Hospital, Certification Course in Holmium Laser Transmyocardial Revascularization (TMR), July 11, 2000, Orlando, Florida (7 hours)

Westside Regional Medical Center, Cardiovascular Update, September 23-24, 2000, Marco Island, Florida (6 hours)

CME Resource, Florida Domestic Violence, Fort Lauderdale, Florida, September 9, 2001 (1 hour)

CME Resource, HIV/AIDS: The Florida Requirement for Physicians, Fort Lauderdale, Florida, October 1, 2001 (5 hours)

CME Resource, Florida Domestic Violence, Fort Lauderdale, Florida, October 1, 2001 (1 hour)

CME Resource, Florida Thoracic Society Meeting, Ocean Reef, Florida, 1999-2003
CME Resource, CTT Meeting, Miami Beach, Florida, March 2003

CME Resource, STS Meeting

TEACHING ACTIVITIES (1996)

General Surgery Medical Student Oral Exams
4 Quarters of 1995-1996

3rd Year General Surgery Student Tutorials
Jan.-March 1996

M and M Conference
“Risk Adjusted Cardiac Surgery Mortality Study at the Miami V.A.”
March 1996

Harvey Cardiology Student Lectures
Once per Month 1995-1996
