Individual charter school counts

Enter total student counts for the charter school for PSD, K-8, and 9-12 students. Student count must be estimated student counts based on actual registration of students. Actual registration of PSD and kindergarten students should be divided by 2 to get estimated student counts for kindergarten. After the 100th day in session, the ADE FY 2024 ADM20 should be used, available via ADE Connect, AZEDS Portal. Schools approved to provide 200 days of instruction will adjust their FY 2025 budget for discrepancies between the FY 2024 100th-day and 200th-day student counts. (The Total K-UE report is used for K-8 and/or 9-12)

To be eligible for this increase in funding, the school must be approved for 200 days of instruction by ADE and its sponsor. Schools must receive approval from ADE for FY 2024 prior to June 1, 2023. Please contact ADE's School Finance account analyst team by email with questions concerning 200 days of instruction at SFAnalystTeam@azed.gov.

 - Instructional costs (basic program, gifted & talented programs, and small school adjustment)
 - Bilingual instruction costs (supplemental programs—bilingual program)
 - Exceptional child education costs (exceptional child programs)
 - Student Transportation Fund costs
 - School Board Training Fund costs (school board supplement)

3. FY 2022 nonfederal audit service actual expense \$ 11,475.00
 Schools must include audit costs for FY 2024 under "Selected expenses by type" on Budget page 2 to receive this increase. Enter the amount expended for audit services in FY 2022 from nonfederal monies to obtain the allowable increase in BSL for the budget year. Do not include the costs of consulting or other nonaudit services paid to audit firms (e.g., application fees paid for submission of school's reports to ASBO and GFOA for certification or for the preparation of the Meritorious Budget Award application to ASBO). A.R.S. §15-914(F) allows schools to increase their base support levels if audit costs will be incurred for the budget year.

4. FY 2022 federal audit service actual expense \$ _____
 Enter the amount expended for audit services in FY 2022 from federal monies. Do not include the costs of consulting or other nonaudit services paid to audit firms (e.g., application fees paid for submission of school's reports to ASBO and GFOA for certification or for the preparation of the Meritorious Budget Award application to ASBO).

5. Adjustment for remote instructional time [A.R.S. §15-901.08] \$ _____
 This line should be left blank for budget adoption. If a school provides instructional time in a remote setting beyond the thresholds prescribed in A.R.S. §15-901.08(C)(3)(b)(i) in any school year, ADE shall calculate the total percentage of remote instructional time that exceeded the threshold and fund that percentage of the base support level at 95 percent of the base support level that would otherwise be calculated for the school. ADE will notify schools of the adjustment amount, if any. Enter the amount provided by ADE, if any, as a negative number.

Increase for allocation of additional funding [2016 Prop 123 & Laws 2015, 1st S.S., Ch.1, §6] and ontime state aid supplement [Laws 2023, Ch. 133, §31]

1. School's percent of state-wide weighted student count _____
 Enter the school's percentage of state-wide weighted student count as reported on its most recent Classroom Site Project Detail Report. Classroom Site Project Detail Reports can be accessed at <https://schoolfinancereports.azed.gov>. Amounts should be entered as a decimal. For example 0.0601% should be entered as 0.000601.

Cover	General	<p>These instructions will help charter schools prepare the budget. Within the forms, blue font and light blue highlights indicate that an instruction is linked to that specific line. We have provided an instructions button that links to any general instructions or to the first instruction for a page. The forms have been set to print without "objects" so that the instructions buttons do not print.</p> <p>The cells in the prior year columns on the budget forms contain formulas that will bring forward budget amounts from the FY 2023 budget forms. However, the cells have not been protected so users may also enter the information manually. To bring forward amounts automatically, the most recently revised FY 2023 budget must be saved as budget23.xls in the C:\CSFORMS folder. If the file is not named budget23.xls, the formulas will not function properly. Excel will ask the user to update information when the budget24.xlsx file is opened. Users should review amounts reported in the prior year column to ensure they agree to the school's most recently revised FY 2023 budget.</p> <p>Schools should complete the Data Entry page before completing pages 1 through 4. To ensure that the Arizona Department of Education (ADE) can properly access the school's data, do not change formulas without specific instructions from either the Arizona Auditor General's Office, Accountability Services Division, or ADE, School Finance.</p>
Cover	CTDS number	<p>This cell will only accept entries of 9 digits. Do not include any slashes, dashes, etc. Enter the school's CTD number plus 3 zeros.</p>

Select the appropriate choice from the menu: Proposed, Adopted, or Revised (including the revision number). Enter only menu choices in the cell.</p> <p>All information on the cover page must be completed/updated when the proposed, adopted, or revised budget is printed out for the Governing Board to sign. All information, excluding the revenue information, must also be updated when the budget is revised.</p>

Schools must also prominently post this information on their home page separately from its budget. The statute does not provide a definition of a teacher. Each charter should be consistent in the type of salary information included in this table from year to year. An optional comment box is available to provide any additional detail regarding the average teacher salary calculation. Schools should revise the average teacher salary information anytime it submits a revised budget to ADE.

- 1 Employee benefits
Schools participating in the Arizona State Retirement System should budget at the rate of 12.29 percent for covered positions. For positions subject to the Alternate Contribution Rate, schools should budget at the rate of 9.99 percent.
- 2 Federal and State projects
Separate accountability is required for each federal and State project. Therefore, charter schools should estimate the expenses for each federal or State project in which the school participates. The totals on line 32 should agree with the total columns for federal and State projects on line 37 of page 1. A.R.S. §15-1261 requires charter schools to establish an E-rate Project to account for any E-rate funding the school receives. Include monies budgeted for the E-rate Project and COVID-19 federal relief projects within Other Federal Projects on line 17.
- 2 College Credit Exam Incentives
Schools that receive monies from the college credit by examination incentive program per A.R.S. §15-249.06 should deposit them in Project 1456—College Credit Exam Incentives. Schools must distribute at least 50 percent of the bonus monies received from this program to the classroom teacher for each student who passes a qualifying exam and to other teachers of relevant subjects who instructed that student, including but not limited to teachers in the same department or subject matter that contributed to the student passing the exam, as identified by the governing body or the school principal. The remainder of any bonus monies received from this program must be allocated by the school principal on behalf of students who receive a passing score and may be used for teacher professional development or student instructional support, reimbursement of exam fees, or instructional materials.
- 2 Arizona Industry Credentials Incentive
Schools that receive monies from the Arizona Industry Credentials Incentive Project per A.R.S. §15-249.15 should deposit them as a separate State project using project object code beginning with 14XX. Monies received must be used for instructional costs and professional development for a career technical education program teacher to become a certifying professional for an approved certificate, credential or license; to offset the students' cost of certification, credentialing or licensure; for developmental costs related to creating, expanding or improving an approved site of a certificate, credential or license career technical program or course; for instructional hardware, software or supplies required for the certification, credentialing or licensure; for career exploration in any school grade and awareness activities for parents, students and the community for the approved sectors.

2 State equalization assistance budgeted for food service expenses
Schools participating in the National School Lunch Program are required to spend a portion of their State equalization assistance to support the operation of their food service program. Schools must report on their budget the amount of State equalization assistance that will be expended for their food service program during the 2024 school year. This amount will be used to determine school compliance with State matching requirements pursuant to CFR Title 7, §210.17(a). ADE's Health and Nutrition Services will verify that the amount reported on the budget was reported as spent when schools' annual financial reports are submitted. Direct any questions related to State matching requirements to Health and Nutrition Services at (602) 542-8700.

2 Instructional Improvement Project
See USFRCS page III-B-1 for guidance on using the Instructional Improvement Project (Project 1020).

2 Instructional Improvement Project, lines 3 and 4
Instructional Improvement Project monies spent for dropout prevention programs and instructional improvement programs must be spent for maintenance and operation purposes only.

2 Debt service
Debt service amounts should include budgeted interest and redemption of principal for all programs. Interest should be budgeted expenses for object code 6850. A teacher should be reported on only 1 line. If a teacher is both a certified and contract teacher, report only the applicable FTE on line 3. Do not include instructional aides or assistants.

3 Classroom Site Project
Schools receive revenues from the Classroom Site Project (CSP) each year. A.R.S. §15-977(G)(1) requires the Joint Legislative Budget Committee to calculate an estimated per pupil amount each year. For FY 2024, the estimated cash payment is \$758 per "Group A weighted" pupil (BSA55 Tab, Total of Non-AOI weighted student count, AOI full-time weighted student count, and AOI part-time weighted student count on row 13).
