Regular Volunteers

At present, HCC has a total of 139 active regular volunteers. These include Trustees, Alumni & Foundation Board members, Alumni Association members, community volunteers, Booster Club and athletic volunteers.

Scholarship Student Volunteers

Some years ago, College Advancement began a program where each Foundation scholarship recipient is required to do one volunteer project for the College Advancement Office as a stipulation for receiving their scholarship funds. This year we had 204 scholarship students who worked for 611 hours doing projects to assist our office with programs like the Tribute Dinner, the Flower & Garden Show, Earth Day, Day of Caring, College for Kids, Kinder Konzerts, CBES Sunday Dinner Dinners, Hawktoberfest 5K, the Hall of Fame Dinner, CBES Start Up Week and more.

Most of these students volunteered only one time, but in taking part, they are introduced to ongoing programs which allow the students to see how some of the scholarship funding is raised for their education, and that caring individuals are working to support their success.

Volunteer Perks

Regular volunteers were invited to three celebrations this year. These included: The Mexican Fiesta, the Alumni & Friends Picnic, and the Olde English Christmas Dinner. All events were well attended and volunteers appreciated the fact that we took the time to celebrate their contributions to Hagerstown Community College.

Goals

In the coming year, we will strive to increase the number of regular volunteers and attempt at re-engaging former volunteers who dropped out during Covid.
