Academic Operations Review of Courses Not Taught in the Past Five (5) Years

Courses Recommended for Retention

COURSE TITLE	COURSE ID	Justification to Retain Course
Sculpture II	ART2703C	The College hired a 3-D Art faculty member in Fall 2022 who is qualified to teach this course. The department plans to schedule the course in the near future.
Visual Basic ADO.net	COP2176	Program leadership recommends to keep the course as active until an alternative course is identified to replace it. At such time a satisfactory course is identified for replacement, this course will be recommended for closure.
Hospitality Internship	HFT2941	Program leadership supports retaining the course, as this internship course is necessary in instances when a student needs only two (2) credit hours to fulfill requirements.
