

NORTHWEST FLORIDA STATE COLLEGE

Memo

To: Board of Trustees
From: Dr. Devin Stephenson, President
Date: February 21, 2023
Re: Board Policy Manual Preface

The College regularly reviews the Board Policy Manual for currency and accuracy, bringing any recommendations for additions, modifications, or deletions to the Policy Manual to the Board for consideration. The preface to the Policy Manual provides introductory material to readers. It describes the Board's policymaking role, policy adoption procedure, and contact information for questions regarding the policy manual. The Board last revised the preface in 2019, and, to reflect current College operations, the College recommends updating the preface as reflected in the enclosed document.

RECOMMENDATION:

The Board of Trustees approves the revised preface to the Board Policy Manual, as presented.
