

City of Princeton Resolution No. 20-28

Resolution Approving Plans and Specifications and Recognizing Advertisement for Bids and Approving the Township's Entering into Contract

WHEREAS, pursuant to a resolution passed by the council on the **2nd day of April, 2020**, Township Engineer Todd McLouth, P.E. of Loucks, 7200 Hemlock Lane, Suite 300, Maple Grove, MN 55369 prepared plans and specifications for improvements to portions of 33rd Street and 82nd Avenue Road abutting City property within Sections 5 and 21, Princeton Township, Mille Lacs County, Minnesota by performing the following general work: The existing gravel roads shall be widened and improved to a bituminous top width of 22 feet with a one foot gravel shoulder. Aggregate gravel base shall be installed followed by bituminous paving and shouldering, and has presented such plans and specifications to the council for approval; and

NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF PRINCETON, MINNESOTA:

1. Such plans and specifications, a copy of which is attached hereto and made a part hereof, are hereby approved.
2. Princeton Township previously ordered advertisements for bids on this project as required by law, and said bids were accepted by the Township on the ____ day of _____, 2020 for that portion of the project affecting only Township roads, but did not award any bids with respect to any portion of the project affecting roads abutting city property and has represented its full compliance with all legal requirements for the assessment process.
3. The Princeton City Council was presented with the bids and recommendation by the Town on the 2nd day of April, 2020, and the Council does concur with the Town's recommendation to award the bid for that portion of the project for which the City has financial responsibility to Knife River Corporation – North Central, and hereby consents to the Township's entry into the Contract, a copy of which is attached hereto.
