

**Lee County Board  
Dixon, Illinois**

**RESOLUTION NO. \_\_\_\_\_**

---

**BATTERY ENERGY STORAGE SYSTEMS  
MORATORIUM EXTENSION**

---

**WHEREAS**, the existing Lee County Zoning Ordinance does not address some new renewable energy technologies such as battery energy storage system and/or battery storage power stations; and

**WHEREAS**, the Lee County Board (Board) desires to create an ordinance for emerging technologies such as battery energy storage system and/or battery storage power stations; and

**WHEREAS**, pursuant to Resolution No. 9-21-25, effective September 16, 2021, Lee County established the Renewable Energy Committee to review and revise, if necessary, the ordinances, resolutions, and policies related to renewable energy technologies; and

**WHEREAS**, the Board previously resolved and approved a moratorium on battery energy storage systems and/or battery storage power stations pursuant to Resolution No. 12-21-013 dated December 21, 2021; and

**WHEREAS**, the creation of the ordinances and policies related to battery energy storage system and/or battery storage power stations is not yet completed, therefore the Renewable Energy Committee is seeking an extension of the moratorium.

**NOW, THEREFORE BE IT RESOLVED**, effective upon passage by the Lee County Board, a moratorium on accepting zoning petitions for battery energy storage system and/or battery storage power stations is hereby extended until September 1, 2022.
