

Curt Freed, Ph.D., President

Transform the student experience.

Ten MCC students from Communications 115 classes participated in a Persuasive Speech Competition at the college on April 23. Citlaly Quiroz took first place, Kristine Schueller claimed second place, and Haley Ostwald finished third.

Physical Therapist Assistant (PTA) Club members conducted fundraising activities April 27 to finance participation in American Physical Therapist Association state and national conferences next year. Activities included a bake sale, chair massages, wellness screenings, and PTA Club T-shirt sales.

Four MCC Collision Repair Students medaled at the State SkillsUSA Competition in April 2022. The three gold medalists qualified for the national competition in Atlanta, Georgia in June.

Transform our own workforce experience.

Faculty participated in an internal survey about Title V-funded inclusive teaching professional development they received fall semester. The survey results indicated that the majority of the faculty have implemented positive changes in their classrooms in response to the training.

Five MCC alumni joined the college’s full-time staff this spring, including Lupita Lara Garcia (Student Support Specialist), Isabel Lesama Rodas (Financial Aid and Enrollment Specialist), Megan McDonald (Academic Success Coordinator), Bridget Sandoval (Associate Nursing Instructional Personnel), and Karissa Schulte (College Store Manager).

Create education without barriers through transformational partnerships.

The MCC Foundation held fundraising Gala events April 22 in three locations (Fort Morgan, Byers, and Burlington), with 575 in attendance. The theme was “No Place Like Home,” based on a “Wizard of Oz” motif. Almost 80 businesses sponsored the events, and over 100 donors provided items for the silent auctions, live auction, and prizes. Dozens of community members and MCC staff volunteered their time and energy to support the events. Funds raised from the Gala will support student scholarships, programs and other college needs.

Nash Keele, a preschooler at Evans Early Childhood Center, uses paint sticks to add color to his art piece.

MCC's Center for Arts and Community Enrichment (CACE) sponsored a Young Child Mixed Media Art Exhibit April 21-May 5 featuring art from local preschools and childcare facilities in Morgan County.

Redefine our value proposition through accessibility, affordability, quality, accountability, resource development, and operational excellence.

MCC Regional Director of Community Outreach Robbin Schincke is offering workshops on "Transitioning the Homeschool Student to College Courses." Thirteen homeschool families participated in her March 30 session, and she will meet with a second group in mid-May.

Select classes will be offered tuition-free during summer semester, including Nurse Aide. Several students have expressed gratitude for how this will help them achieve their educational goals.

The MCC College Store is undergoing a "makeover" with a new layout, updated products, and additional food service options.
