To whom it may concern,

I am very honored to be working for the city of Princeton and have learned so much from everyone at the city in the time I've been working here. However, it is with much sadness to inform you that this is my formal resignation from my position as General Maintenance II. My last day of employment will be Friday April 8<sup>th</sup>, 2022.

Once again, I would like to thank you for everything you have done to further my experience/knowledge.

Sincerely,
