

GRANT FUNDING REQUEST FORM

The State of Minnesota prohibits cities from making charitable contributions. But, Princeton's Municipal Liquor Store, *Princeton Wine and Spirits* (PW&S) is allowed to provide grants for worthwhile community events. Annually, the City Council budgets Liquor Store funds for those types of purposes. Because there are numerous worthwhile causes and it is not possible to fulfill all grant requests, the criteria the City uses to determine how best to allocate the budgeted funds includes, but is not limited to, the following:

1. The requesting group/organization must be located within the 55371 zip code.
2. The mission or goal of the requesting group/organization must benefit individuals who reside within the 55371 zip code.
3. Generally, retail promotions are not eligible for grant funding.
4. Groups/organizations are limited to one grant within a 12 month period.
5. Because funds are limited, the city reserves the right to contribute less than the full amount actually requested.
6. The requesting group/organization may not be engaged in political activity.
7. Priority is given to groups/events that promote restricting youth access to alcohol and/or the responsible use of alcohol by adults.

Tribute Towers of Post-9/11 Fallen from the War on Terror

February 14, 2022

Dear Community Event Sponsor:

Our local Veterans of Foreign Wars (VFW Post 806) is proud to announce we have secured a position in very special traveling memorial for the upcoming 4th of July community celebration 2022 here in Princeton.

“Remembering Our Fallen” is a national traveling memorial (similar to the Vietnam Wall) that includes our nation’s Fallen from Iraq/Afghanistan since 9/11/2001. That date is used as it was such a defining moment for this generation, similar to Pearl Harbor for the WW II generation.

Persons displayed on the memorial include:

1. Those who died from physical wounds suffered in the war zone since 9/11/2001, even if they returned to the states and died later;
2. Those who deployed to the war zone, but returned with PTS (Post-Traumatic Stress) and succumbed to suicide;
3. Those who died stateside or on overseas bases in training accidents or attacks (such as Fort Hood) having been in their capacity of military work when the accident or death occurred

Several of Princeton’s own are included in the memorial. 34th ID “Red Bulls” and others.

The VFW’s partner in this endeavor is the Mille Lacs County Fair Board which will host the memorial during its stay at the fairgrounds within the City of Princeton, June 30th- July 6th 2022. They will also host the American Legion Post 216’s annual fireworks display on July 4. Numerous other family friendly activities are planned there that day.

This rare, emotional and unique event will be free and open to the public daily 10am until 10pm.

The partners would like to invite you to become a sponsor of this exhibit honoring the fallen post 9/11/2001. Any donation is appreciated and all sponsors will be invited to a special sponsors’ only preview day on July 1 which will include a luncheon. Those sponsors contributing \$250 or more will be visually acknowledged by individual keepsake signage on the grounds in close proximity to the memorial.

We hope that you will visit and become part of this event to honor the service of those that made that greatest of sacrifice post 9/11/2001. May we continue to remember them so they never die.

More information on the memorial may be found at the website noted above.

Thank you for your consideration of this request.

Sincerely,

David Good
Commander VFW Post 806

OVERVIEW FOR VOLUNTEERS

Remembering Our Fallen is a national traveling memorial (similar to the Vietnam Wall) that includes our nation's Fallen from Iraq/Afghanistan since 9/11/2001. We used that date, as it was such a defining moment for this generation, similar to Pearl Harbor for the WW II generation.

The criteria for the memorial includes:

1. those who died from physical wounds suffered in the war zone since 9/11/2001, even if they returned to the states and died later;
2. those who deployed to the war zone, but returned with PTS (Post-Traumatic Stress) and succumbed to suicide;
3. those who died stateside or on overseas bases in training accidents or attacks, such as Fort Hood. They must have been in their capacity of military work when the accident or death occurred and not on leave or time off (similar to a work comp claim in the civilian world).

Explanation of 33 Tribute Towers with 5,200 Fallen:

1. The light **brown/tan** desert background include our nation's Fallen who died from wounds suffered in the war zone.
2. Those who died from PTS are included on Tribute Tower(s) with **BLUE** banners.
3. Those who died stateside or on overseas bases are included on Tribute Tower(s) with **RED** banners.

DIRECTORY – There are several directories on the table to assist in finding someone. The Fallen are listed by last name in alpha order with the Tower # and Banner # to the far right. 25.4 means the individual's photos can be found on Tower #25, Banner #4. The towers will have numbers on each base, and each banner is numbered at the bottom.

MUSIC – Available at: www.PatrioticProductions.org/music/

MISSING FALLEN – If a Fallen is not included yet in the memorial:

Ask the guest to visit the web site below and click on the far right button under the banner photo and paragraph: **ADD YOUR FALLEN TO THE MEMORIAL**. If the guest is not an immediate family member, please ask them to contact a family member to inform them of the memorial and submit the information.
