TERM: Commencing: Ending:

(Example - Start: May 1, 2024. End: April 30, 2028.)

PRESIDENTS' RATIONALE FOR NOMINATION

(Feel free to include a separate page if desired.):

Jayce Maker grew up in Sterling and graduated from Northeastern Junior College in 2022 from our Agriculture Program. He proceeded to West Texas A&M to complete his Bachelor's Degree in Agricultural Business in 2024. He is back in Sterling and is employed by the Bank of Colorado in their management training program. While at NJC, Jayce served as the First Vice President of the Associated Student Government and was a recognized leader on campus.

While Jayce's resume is limited due to his youth, I believe that he can provide a unique perspective as a recent graduate and a community member who has committed to come back to grow and support his hometown. Our current Advisory Council is comprised of well-established leaders in the medical, agricultural, education and business fields. While they provide invaluable advice on industry trends and workforce needs, Jayce will provide an diverse viewpoint as a recent graduate charting a path for his future. I am excited for the council to hear about his experience and perspectives as we work to link our education to economic mobility and workforce needs.

The Bank of Colorado President for the Sterling branch has served with the college before, and highly recommended Jayce for this role. He confirmed that Jayce is thoughtful and articulate, and quickly builds healthy and positive relationships. He also highlights Jayce as an up and coming leader anxious to improve our community.

I am pleased to nominate Jayce Maker to the NJC Advisory Council. Thank you for your consideration.
