What interests you about position you are seeking appointment for?
I enjoy working to make the complete response to emergencies better. From the time the call is received until the emergency is done, it is all part of response. Serving on this board gives tremendous insight on how dispatch works and how fire departments can better work with them.

I have 25 years in the emergency services. Currently been with Dixon Fire Department for 18 years, serving as Fire Chief for the last 4 years.

Professional specialties and/or relevant areas of expertise:
Been involved in all facets of emergency response in the last 25 years. I started as a volunteer firefighter and EMT for a fire protection district. I also worked for a private ambulance service and a hospital based ambulance before getting hired by Dixon Fire Department. While working at the hospital based ambulance service, I was trained and certified as a dispatcher.

Academic honors and significant accomplishments:
Chief Fire Officer certified, Associates Degree in Fire Science
