Afternoon sensei!

After some consideration I have decided to resign from the Airport Board effective immediately. I have enjoyed working with you, council, our engineers and the city.

~Thanks!

Subject: PNM - Draft ALP

Good afternoon,

Please find a copy of the of the Draft ALP for Princeton Municipal Airport available for download in the link below. I have also attached a draft of the Interim Approval document which outlines the changes. We are requesting review and comments from FAA and MnDOT on these documents.

Link Expires April 1, 2024.

We should have drafts of the narrative report available soon for review. The City of Princeton is also working on the draft deed restrictions for the two parcels in the Industrial Park and those should be available soon as well.

Please let me know if you have any issues retrieving the documents or any questions.

Thanks,

Andrew
