

Princeton Fire & Rescue Dept.

Memorandum

To: Mayor Walker and City Council

Date: 01/10/2022

From: Fire Chief Ron Lawrence

Regarding: Hiring

Mayor and Council,

I am respectfully asking for permission to start the hiring process and hire up to 5 new firefighters for the upcoming year. We are currently at 37 members. With the anticipated retirement in 2023, I would like to hire five new firefighters and have them trained before next year. With our increasing call volume and Public Relations events, it is a benefit for our communities that we serve and department to have an adequate number of firefighters.

Thank you.

Ron Lawrence
