

THE  
PRINCETON AMBASSADOR  
PROGRAM

June 29th, 2021

Dear Ms. McPherson,

Thank you for getting back to us on our grant proposal, we greatly appreciate it.

But, for the record, we wanted to make you and the City aware that the Princeton Ambassador Program has not received any portion of the \$10,000 whatsoever from the Chamber of Commerce since the 2018-2019 year.

With this information known, we hope that the city would possibly reconsider their decision but if not we understand. If not, we hope that with our next funding request we submit that we look forward to being able to come in front of the City and talk about our proposal and how it can benefit the community.

Thank you so much for your time and I hope you have a great rest of your day.

Sincerely,

*Carina R. Schneider*

# GRANT FUNDING REQUEST FORM

The State of Minnesota prohibits cities from making charitable contributions. But, Princeton's Municipal Liquor Store, *Princeton Wine and Spirits* (PW&S) is allowed to provide grants for worthwhile community events. Annually, the City Council budgets Liquor Store funds for those types of purposes. Because there are numerous worthwhile causes and it is not possible to fulfill all grant requests, the criteria the City uses to determine how best to allocate the budgeted funds includes, but is not limited to, the following:

1. The requesting group/organization must be located within the 55371 zip code.
2. The mission or goal of the requesting group/organization must benefit individuals who reside within the 55371 zip code.
3. Generally, retail promotions are not eligible for grant funding.
4. Groups/organizations are limited to one grant within a 12 month period.
5. Because funds are limited, the city reserves the right to contribute less than the full amount actually requested.
6. The requesting group/organization may not be engaged in political activity.
7. Priority is given to groups/events that promote restricting youth access to alcohol and/or the responsible use of alcohol by adults.
