We are pleased to submit the following quotation to furnish labor, material and equipment to complete the following items of work. If acceptable, please read the terms of this proposal, sign, date, and return one copy to the address shown above. A representative of Civil Constructors, Inc. will contact you to arrange for the completion of work.

THIS PROPOSAL MAY BE WITHDRAWN, IF NOT ACCEPTED WITHIN 30 DAYS.

1. Core out and stone 322 SY installing a new 12" stone base to widen that north driveway per the attached diagram.
2. Reshape 322 SY of existing stone area. Included in this bid is 206 tons of stone for reshaping and base. Drainage back there splits and will have most of it on front end go to that drain which we will pave around.
3. If any additional stone is needed in the reshaping process, it will be delivered and placed for \$12.00 per ton.
4. Place a 4" compacted asphalt mat to be placed in 2 lifts over reshaped drive.

All the work listed above is to be completed in a professional manner for the sum of **\$17,775.00**

Limitations of Agreement: Civil Constructors, Inc. will not be responsible for the drainage of an asphalt pavement placed with less than 1% slope in any direction, or for pavement failure resulting from stone base installed by others, or damage to existing concrete sidewalks, aprons and approaches located in the construction area. **Soil conditions such as presence of clay, sand or limestone as well as temperature and moisture content may result in cracking of asphalt surfaces. The owner understands the risk inherent in this kind of work. All asphalt surfaces especially those that are resurfaced will eventually crack. Contractor does not guarantee their work against cracking since this is a condition of nature and beyond the control of the contractor.** Contractor is not responsible for damage or injuries caused by any privately (not installed by a public utility) placed underground wires, pipes, sewers, conduits, obstructions or restrictions. **It is the owner's responsibility to backfill edges of paved areas to help support and protect the edges.** Contractor shall not be responsible for any: permits, fees, bonds, seeding, landscaping, weed control, utility relocation unless specifically specified in the proposal.

TERMS OF PAYMENT AND ACCEPTANCE

Unless other payment terms are specifically provided below, all payments to be applied against the Contract Price are due and payable within 15 days after the date of our invoice. All amounts due as payments will be invoiced monthly based upon the proportion of the work completed and the materials delivered to or set aside and stored for this project during the previous month. The unbilled balance of the Contract Price will be invoiced upon completion.

Other Payment Terms:

All amounts not paid when due will bear interest at the rate of 2% per month on the unpaid balance beginning on the first day of the month following the date the payment was due. Provided however, that if this proposal relates to work not performed for a business or in connection with a trade or business of the party accepting this proposal, the applicable rate of interest will be 18% per year. The party accepting this proposal will indemnify Civil Constructors Inc. of Illinois and its agents and employees and will hold them harmless from any and all actual or alleged claims, damages, losses, penalties (government or private), and expenses, including attorneys' fees, arising out of or resulting from the performance of the work described in this proposal excluding however, claims, damages, losses, penalties and expenses which are caused by the negligence of Civil Constructors, Inc. of Illinois or its agents or employees.

ACCEPTANCE

You are hereby authorized to furnish all materials and labor required to complete the work mentioned in the above proposal, for which the undersigned agrees to pay the amount shown above and according to the terms thereof.
