GRANT REQUEST FORM

The State of Minnesota prohibits cities from making charitable contributions, however, Princeton's municipal liquor store, PW&S, is allowed to provide grants for worthwhile community projects. Annually, the City Council budgets liquor store funds for grant requests. There are numerous worthwhile causes and it is not possible to fulfill all submitted requests. The criteria the City Council uses to determine how best to allocate the budgeted funds includes, but is not limited to, the following:

1. The requesting group/organization must be located within the 55371 zip code.
2. The mission or goal of the requesting group/organization must benefit individuals who reside within the 55371 zip code.
3. Generally, retail promotions are not eligible for grant funding.
4. Groups/organizations are limited to one grant within a 12-month period.
5. Funds are limited and the City reserves the right to contribute less than the full amount requested.
6. The requesting group/organization may not be engaged in political activity.
7. Priority is given to groups/organizations that promote restricting youth access to alcohol and/or the responsible use of alcohol by adults.
