*(Feel free to include a separate page if desired.):*

Brenda May, the Vice President of TBK Bank since 2016, is a long-standing community leader from a family of leaders who are well-respected and trusted in Southeast Colorado. Her experiences in banking started in 1985, and prior to that she worked for Southeast Colorado BOCES. When she is not working in town, she is helping her husband Dallas on the May Ranch, a 16,000 acre, four-generation, working ranch which is protected through a conservation agreement and hosts greater prairie chickens and black-footed ferrets as well as actively raising grass-fed natural beef (<https://www.conservationfund.org/projects/may-farms-ranch>). Brenda is also a board member on the Greater Outdoors Colorado Trust Fund Board as well as serving on the Prowers Medical Center Foundation and the Prowers Economic Prosperity boards. As a current member of the LCC President's Community Circle, she demonstrates an enduring commitment to the college and is vocal about how much she values the work the LCC does for students and our communities. Brenda is not shy about sharing her interests, ideas, and concerns and it's always focused on how LCC can improve. Her connections, wisdom, energy, and passion for rural Southeast Colorado are an incredible strength, which have earned her the trust of others across the region. Brenda would be an asset to the Advisory Council and to Dr. Reyes.

It is my honor to nominate Brenda May to the LCC Advisory Council.
