SHIPPING RESTRICTION NOTE:

Honda permits the shipment of motors, 20hp and smaller that are tiller-controlled. Sorry, no shipping on remote steering motors unless part of a pre-rigged boat and motor package (ships by boat hauler). Any Honda tiller-controlled motor can be picked up at our Warehouse Outlet Store in Waterford, CT.

Unless otherwise noted, all shipped Honda motors, whether loose or as part of a boat & motor package, must ship by truck on a pallet. Defender recommends shipping to a commercial address with material handling equipment to minimize off-loading damage. Defender can ship to a local truck terminal if our carrier services your area.

In ordering a Honda motor for shipment to you, certain responsibilities must be assumed by you to set up your Honda product for initial use or your boat & motor package in order to enjoy the convenience of

delivery of your Honda product. You will be prompted to read about and acknowledge these tasks prior to check out.

NOTE: All specs are from Manufacturer's literature and have not been independently verified.
