
MEMORANDUM

TO: Mayor Walker and Councilors
FROM: Heather Brooks, Community Development Manager
SUBJECT: **Approve and Sign AIS Grant Contract with Sherburne SWCD**
DATE: April 14, 2022

Background: The City of Princeton was approved \$1,875 through the Sherburne Soil and Water Conservation District for removal of invasive reeds at the Wastewater Plant. The total cost of this project is estimated at \$2,500. The City of Princeton will be responsible for \$625 of the total project.

Analysis: The invasive reeds at the Wastewater ponds need to be removed. With dollars from the Soil Water Conservation District, the City of Princeton will be able to remove the invasive reeds at a reduced cost.

Recommendation: Staff recommend the Council to vote in favor of approving and signing the contract with Sherburne Soil Water Conservation District and accept the AIS Grant to remove the invasive reeds from Wastewater.
