

Princeton Police Department

Memorandum

To: Princeton City Council

Date: 04/20/2022

Regarding: Update with K9 plush replica Bogey

From: Chief Todd Frederick

Officer Cederberg and members of the Department started the plush replica K9 Bogey fundraising project approximately 10 days ago. The profit from the first round of sales was \$1,045.00. One hundred fifty (150) dogs were sold in the span of five (5) days. We are in the process of ordering 250 more dogs with Hero Industries for the second round of the fundraiser, with the plan to have to have dogs (Bogey) available through the summer to sell at various events. After completion of the second round, we will create dogs for "Skar" and "Jet" to do an "in Memory of" campaign / fundraiser.

The funds raised will offset expenses associated with the K9 program.

Chief Todd Frederick
