

Manager's Report

October 2023

- **We currently have 57 on the hangar waiting and 31 on the ground lease waiting list.**
- **Hangar inspections were conducted on October 9th. There are some minor infractions that must be corrected in 19 hangars. All our issues can easily be corrected within 30 days. Emails went out to all tenants with a pass/fail and items to be corrected. Anthony and I will work with tenants and Fire Marshal to make sure everything is corrected.**
- **The audit is almost complete and will be presented at the December 7, 2023, Board meeting.**
