John Bruce, Superintendent
Pribilof School District
P.O. Box 207
St. Paul Island, Alaska 99660
brucej@pribilofsd.org

Dear Mr. Bruce,

This letter is in response to your letter dated April 27, 2021, requesting an additional grant allocation of \$329,085 for the St. Paul K-12 School Roof Replacement and Structural Repairs project, DEED # GR-21-001. The department has reviewed the request, and the availability of funds, and is approving an award of \$300,000 in additional grant funds to the project. This award will require \$6,000 in participating share from the district.

The key factors supporting this determination include:

- The work being funded with the additional grant allocation is work already approved as part of the project scope and important for a complete and long-term repair.
- The amount requested (\$329,085) does not need to be fully covered by additional funds. Funds from other budget categories can be moved to Construction to cover the remaining amount needed for the award of the base bid and alternate items.
- The fund balance in the REAA Fund was sufficient to meet this request and could be allocated without adversely impacting any awards to eligible projects on the current FY2022 School Construction and Major Maintenance Grant Fund priority lists.

In support of this determination, please review the attached amendment to the project agreement and respond with any requested changes to the budget allocations or by returning a signed copy if you concur. If you have any questions, please feel free to contact me or the grant project administrator, Lori Weed at (907) 465-2785 or Lori.Weed@alaska.gov.

Sincerely,

A handwritten signature in blue ink that reads "Heidi Teshner".

Heidi Teshner
Director of Finance and Support Services
