# WIOA Title I Performance Report:

## Program Year 2020 UNADJUSTED Quarter One

The WIOA Title I Performance Report is produced by the Ohio Department of Job and Family Services' Office of Workforce Development for distribution to Local Workforce Area directors, Workforce Development professionals, and WIOA performance contacts and stakeholders. The report contains participant and program data for Program Year 2020 (PY 2020) from Ohio's Workforce Development Case Management System (OWCMS). PY 2020 runs from July 1, 2020 through June 30, 2021.

The report is organized by statewide and by WIOA Local Workforce Area. Each section contains summary performance data and participant demographic data. Additional information and definitions of performance measures, their evaluation, and performance cohorts is in the beginning of this document for reference. A glossary of terms used throughout the report is at the end of this document.

**NOTE:** This is a quarterly report for informational purposes. At the end of each program year, the negotiated standard will be adjusted according to the Statistical Adjustment Model, which accounts for changes in the characteristics of the participants served and economic factors in the WIOA Local Workforce Area. This is an "UNADJUSTED" Quarterly Report which includes the numerator, denominator, and outcome for each measure and contains "TBD" for "To Be Determined" for the columns titled "Adjusted Area Standard" and "Area Results". An "ADJUSTED" Annual Report will be released after PY 2020 and will include the final numerator, denominator, outcome AND the "Adjusted Area Standard" AND evaluation (e.g., success or fails) for "Area Results" for each measure not in baseline.

# WIOA Primary Performance Measures

*For all WIOA Core programs: Adult, Dislocated Worker, Youth, Adult Education and Literacy (ASPIRE), Vocational Rehabilitation and Wagner-Peyser (Wagner-Peyser will be excluded from performance measures 4 and 5):*

**1) Employment 2nd quarter after exit:** the percentage of program participants who are in unsubsidized employment during the second quarter after exit from the program.

**For CCMEP WIOA Youth: Education, training or employment 2nd quarter after exit:** the percentage of program participants who are in education or training activities, or in unsubsidized employment, during the second quarter after exit from the program.

**2) Employment 4th quarter after exit:** the percentage of program participants who are in unsubsidized employment during the fourth quarter after exit from the program.

**For CCMEP WIOA Youth: Education, training or employment 4th quarter after exit:** the percentage of program participants who are in education or training activities, or in unsubsidized employment, during the fourth quarter after exit from the program.

## WIOA Primary Performance Measures (continued)

**3) Median earnings 2nd quarter after exit:** the median earnings of program participants who are in unsubsidized employment during the second quarter after exit from the program.

**4) Credential attainment rate:** the percentage of program participants who obtain a recognized postsecondary credential or a secondary school diploma or its recognized equivalent during participation in or within 1 year after exit from the program. Program participants who obtain a secondary school diploma or its recognized equivalent shall be included in the percentage counted as meeting the criterion if such participants, in addition to obtaining such diploma or its recognized equivalent, have obtained or retained employment or are in an education or training program leading to a recognized postsecondary credential within 1 year after exit from the program.

**5) Measurable skill gains:** the percentage of program participants who, during a program year, are in an education or training program that leads to a High School Diploma or its Equivalency, a recognized postsecondary credential or employment and who are achieving documented academic, technical, occupational, or other forms of progress, towards such a credential or employment. Gains will be based on attainment of one of the following: 1) gain in at least one educational functioning level; 2) High School Diploma or its Equivalency; 3) secondary/post-secondary transcript/report card showing that the participant is achieving the state unit's policies for academic standards; 4) satisfactory or better progress report towards established milestones from the employer/training provider who is providing training; or 5) successful completion of an exam that is required for a particular occupation, or progress in attaining technical or occupational skills as evidenced by trade-related benchmarks such as knowledge-based exams.

# WIOA Methodology for Assessing Performance as detailed in Ohio Combined State Plan

Under WIOA, official performance evaluation only occurs annually. After the end of the program year an adjustment of an area's performance standard(s) may occur as a result of updated demographic and economic indicators by means of the USDOL's statistical adjustment model. Only after this adjustment process is complete can an official evaluation of an area's performance be accomplished (TEGL 9-17).

Performance on an individual measure will be interpreted based on the position of the outcome relative to the local area performance standard using the criteria defined below. Achieving a '**Success**' on all individual measures constitutes that a local workforce area performed successfully. Obtaining a '**Fails**' on any individual measure constitutes local workforce area failure.

**Success:** When the actual local area performance achieved against an individual performance measure falls in the range of 90 percent or greater of the performance standard for the measure

**Fails:** When the actual local area performance achieved against an individual performance measure is less than 90 percent of the performance standard

**Note:** For PY 2020 there will be a lowered implementation threshold for the "success" level for CCMEP WIOA Youth; the threshold will be set at 80 percent or greater of the performance standard.

The columns indicate WHEN a measure's evaluation and reporting occurs (e.g., Quarter 1 of Program Year 2020). The rows indicate which measure and the COHORT that will be measured (e.g., those who exited the program between July 2019 and September 2019 will be evaluated for the "Employment 2nd Quarter After Exit" measure, in Quarter 1 of Program Year 2020). The Cohort date range will be determined by the "When Performance Evaluation Occurs" column; if it is "After Exit", then the cohort dates will be the participants' exit date range, if it is "During Enrollment" then the cohort dates will indicate the enrollment period.

## Performance Report Glossary

---

**Adult:** A participant in the WIOA Adult program must meet all the following requirements: (a) Be legally authorized to work in the United States; (b) Be 18 years of age or older; (c) Be properly registered for selective service. (WIOAPL 15-02).

**Area Rate:** The actual level of performance achieved in the WIOA Local Area. It is the Area numerator (see “numerator”) divided by the Area denominator (see “denominator”) expressed as a percentage. The rate of median earnings is the exception; the median represents the mid-point between the value of the lowest wage reported and the value of the highest wage reported of the program participant’s performance measure cohort.

**Area Standard:** The local area negotiated level of performance. Local areas negotiate with the State of Ohio every two years to decide local area performance standards/goals.

**Baseline:** A starting point used for comparison. For performance measures without an established standard, data will be collected to establish a baseline and performance will be evaluated against a standard in future program years.

**Basic Skills Deficient:** A youth who has English reading, writing, or computing skills at or below the 8th grade level on a generally accepted standardized test or who is unable to compute or solve problems, or read, write, or speak English, at a level necessary to function on the job, in the individual’s family, or in society. (WIOAPL 15-03)

**CCMEP WIOA Youth:** A participant in the Comprehensive Case Management and Employment Program (CCMEP) WIOA Youth program is an individual between the ages of 14 and 21 who is attending school (see “In School Youth”), low income, and faces a number of barriers (in-school) or an individual between the ages of 16 and 24 who is not attending school (See “Out-of-School Youth” and faces a number of barriers (including, but not limited to foster care/aged out, pregnant/parenting, disability). (WIOAPL 15-03.1)

**Cohort:** A group of participants who are evaluated for performance during the same time-period.

**Cohort Period:** The cohort period defines the time frame (in quarters) of participation or program exit that the cohort is being evaluated for the performance measure.

**Credential:** A nationally recognized degree or certificate which is State and locally recognized and indicates possession of some training, knowledge, or skill.

**Credential Attainment Rate:** The percentage of all program participants who attain a credential during participation or within 1 year after exit from the program, out of those enrolled in education or a training program leading to a recognized diploma, degree, or a credential.

**Denominator:** Count of the total number of eligible participants in a cohort for an individual measure; the bottom number in a ratio. For example, in the fraction 2/5, the number five is the denominator.

**Dislocated Worker:** A participant in the WIOA Dislocated Worker program must meet the requirements for WIOA Adults (see “Adult”) and additionally must also fall into one or more of the following eligibility categories as outlined in section 3(15)(A-E) of WIOA:

Category A: Terminated or Laid Off, or Received a Notice of Termination or Layoff From Employment: Has been terminated or laid off or has received a notice of termination or layoff from employment; AND Is eligible for or has exhausted entitlement to unemployment compensation; OR Has been employed for a duration sufficient to demonstrate attachment to the workforce, but is not eligible for unemployment compensation due to insufficient earnings or having performed services for an employer that were not covered under a state unemployment compensation law; AND Is unlikely to return to a previous industry or occupation. Category B: Plant Closure or Substantial Layoff: Has been terminated or laid off, or has
