Conditions of the Special Use Permit Granted Under Petition No. 22-P-1601

- A.** Construction activities shall commence no earlier than 7:00 a.m. and shall be discontinued no later than 8:00 p.m. on Monday through Sunday within ¼ mile of a non-participating residence unless a written waiver is obtained from said non-participating resident(s).
- B.** Before a building permit is issued, Petitioner shall provide the Lee County Zoning & Planning Office with evidence of having done a drain tile survey.
- C.** If any subsurface drainage tile is damaged within the proposed site, such damage shall be repaired to the same or better condition by the Petitioner within one month or as agreed to in writing by the affected property owner.
- D.** Before being issued a building permit, Petitioner is required to provide a map of the surface water drainage patterns within the Development Area to the Lee County Zoning and Planning Office.
- E.** If Petitioner wishes to install one or more security cameras due to on-site criminal activity, Petitioner must receive written permission to do so from the County Zoning Administrator and ensure that any such cameras be focused into the Projects and not capture any images from nearby non-participating real estate.
- F.** Before a building permit is issued, Petitioner is required to provide the Lee County Zoning & Planning Office with a suitable “Fire Protection Plan” reviewed by the appropriate Fire Protection District.
- G.** Before a building permit is issued, Petitioner is required to provide the Lee County Zoning & Planning Office with evidence that they have contacted the owner of any adjacent, non-participating dwelling to explain to them their Ordinance driven screening options and have either reached a “Memorandum of Understanding” with those owners for a screen or have made the required “one-time payment” to them.
- H.** Before the issuance of a building permit, Petitioner is required to provide the Lee County Zoning & Planning Office with an acceptable written “landscape plan.”
