

Princeton Police Department

Memorandum

To: Princeton City Council

Date: 02/17/2023

Regarding: Discussion regarding Neighbors on The Rum

From: Chief Todd Frederick

I was asked to provide detailed information regarding the application from the owner (Joe Holtz – Neighbors on the Rum) to close an hour later. Below are the calls that the Princeton Police Department received in 2022. It should be noted that I received a call from the Minnesota Alcohol and Gambling Enforcement regarding an anonymous call they received regarding over serving at Neighbors. The Department stated that they had no other information but wanted local LE to be aware. I spoke with the owner about this report. He stated that he was unaware of an incident but that he would speak with his manager and staff about the complaint. The owner also explained that the report could have been filed from an employee who was fired not long ago. I asked the owner if he could make sure that his staff is aware of the complaint and making proper decisions about serving people that appear to be overserved.
