FINAL FMV REPORT⁴

Date of Final FMV Report: August 31, 2023

FINANCIAL/BUDGETARY IMPACT

The proposed salary is budgeted for FY 24.

JUSTIFICATION

Broward Health has documented and objectively determined there is a legitimate business purpose for the services of a qualified physician to provide clinical services in the medical specialty of Family Medicine at Broward Health and to serve as the Medical Director of Broward Health Point, Managed Care Credentialing (BHPG), Nurse Connect/Weston UCC, Accountable Care Organization, and Employee Health.

The community needs assessment identifies this specialty as a critical priority with a shortage of (85.9) family medicine physicians needed by 2025 in the Broward Health Medical Center region. Recommendations from the Community Needs Assessment suggest that access to specialty care is a priority throughout Broward Health service areas.

Dr. Calvo will provide family medicine services to meet community and healthcare system needs.

STAFF RECOMMENDATION

Therefore, it is requested that the Board of Commissioners of the North Broward Hospital District authorize the District to enter in an employment agreement with compensation up to the 79th percentile with Dr. Aldo Calvo to provide Family Medicine Clinical and Medical Directorship services at Broward Health Point
