

- **Seth Structural Engineering, Matt Seth (called 5/9/24) (called 5/13/24)**
 - 814-812-3406 mseth@sethstructural.com
<https://www.sethstructural.com/>
 - 5/13/24 emailed. Reply email received and additional documents forwarded 5/14.
 - He will provide a scope and estimate for a structural assessment this week. The report will provide a structural analysis without repair costs. An architect would handle the interior renovations including mechanicals.
 - 6/5/24 emailed for quote update. Return email with quote and example report.
- ~~Henry T Welka & Associates (called 5/9/24)~~
 - Does not have an engineer available in the Erie Office.
- ~~Rabell Surveying & Engineering, A Division of LSSE (called 5/9/24)~~
 - 814-756-4384
<https://www.rabellsurvey.com/>
