Krista,

Here's the quote for interior cleanup quote for 516 S. 2nd Avenue Corry, PA.

*Interior cleanup of loose debris and all other items that would need removed pending the approval of the controlled burn by the City of Corry FIRE Department and their required regulations

\$5000.00 New quote \$6,425 to include for carpet removal. (per email 7/2/24)

We would also need the approval of allowing a dumpster to be located at the property until the completion of the job (at our cost)

Also, could you find out about the required worker's compensation insurance? To follow up on that, we would not have any employees so according to insurance companies, we are not required to have that.

Thanks,

Brett Sproveri
