compact 1,600, 3-mil active documents in one unit. Each document attaches to self-adhesive, pre-punched carrier strips (order separately); hung vertically from pins and posts on 6 ½" centers for maximum support and multiple file sizing. The MasterFile storage design helps eliminate fingerprints or tears. Locking mechanism with dust and moisture seal. The gas cylinders assist raising of the lid and prevent accidental lid closures. Attractive brushed aluminum handles and adjustable sheet holder knobs (included) provide convenient storage for active documents. Double wall steel construction with insulating liner for extra strength and quiet operation. Raised, full suspension file drawer moves smoothly over any floor, provides toe space to minimize reach for documents and stabilizer legs adjust for load compensation. Carrier strips and index/out guides sold separately.
