
MEMORANDUM

TO: Mayor Walker and Councilors
FROM: Chris Klinghagen, WWTP Manager
M McPherson, City Administrator
SUBJECT: **Authorize Purchase of Replacement Pumps for
Chemical Room, WWTP (CIP Expense)**
DATE: February 7, 2023

Background:

The Council approved \$12,000 in the 2023 Capital Improvements Budget to replace the pumps in the chemical room. The pumps are in need of replacement, new pumps will provide more accurate dispersal of chemicals which will reduce over-use thereby saving money on supply costs.

Two quotes were obtained from Vessco Inc. and Electric Pump which are attached. The recommended pump is the QDOS 30 from Vessco Inc. The plan requires two (2) pumps and staff is also proposing to purchase four (4) spare heads. Total cost is \$9596.00.

Recommendation:

Staff recommends that the City Council authorize the CIP purchase as noted above from Vessco Inc.
