Subject: Airport advisory board

Good Morning Michele,

I Just wanted to send you a note to tell you I would like to resign from the airport board. I'm gone too much to ever be able to make any meetings. Is there anything other than this email that I need to do for that?

Also my trash can at the airport is destroyed. I spoke with Jims Mille Lacs Deposal this morning and they said I needed to file a claim with the City. It looks like it was hit by the plow or snowblower. Its located by the AD building now. I usually put it in the grass off to the side up there but with the snowbanks I can only put it next to them.

Thanks,
Jason Erickson
