Hello,

I am hoping to have this request considered by the vet board this month. I have enrolled in a 9 hour online asynchronous course on beekeeping given through Penn State cooperative extension. There is a test and certificate provided at the end of completion. I have enclosed a copy of the course outline and I was wondering if the board would grant me any CE credit for the course. The URL for the course is <https://learn.extension.psu.edu/courses/course-v1:PennStateExtension+OLC-1006+2017/course/>.

Thank you for your consideration in this matter.

Sincerely,
Claire
