The ICVA is pleased to present the **2023-2024 NAVLE Technical Report**. This report documents the development, administration, and psychometric analysis of the 2023-2024 NAVLE administration.

Report highlights include:

- A synopsis of the test development, administration, and psychometric analysis of the NAVLE, including a list of the NAVLE item writers/reviewers and a list of the NAVLE form reviewers
- Summary statistics describing the performance of candidates on the November-December 2023, the April 2024 and the two NAVLE administrations combined
- NAVLE Item and Form Review participants
- Exit survey results from examinees who completed an optional post-test survey

The International Council for Veterinary Assessment (ICVA®) and the National Board of Medical Examiners (NBME®) work together to produce and provide the North American Veterinary Licensing Examination (NAVLE®).
