IT Workgroup

- SBHD Executive Lead: Jeff Sturman
- NBHD Executive Lead: Ken Hetlage/Alex Fernandez

- Ongoing recruitment of a full-time BH CIO is underway with external recruitment firm, several candidates are being interviewed
- Cerner and Epic to provide high-level demonstrations to Broward Health executives, physicians, and staff on July 12th and 14th, respectively
- Impact Advisors/MHS to present final cost options of Cerner and Epic on July 20th at a special IT Board Workshop
- MHS IT Leadership to provide overall IT recommendations/gap analysis from 90-day Assessment on July 20th at a special IT Board Workshop
- Initial meeting took place in May with MHS and BH Executives to discuss long-term IT organizational setup for ongoing collaboration, next steps to be determined

Specialty Services Collaboration

Pediatric Services

- SBHD Executive Lead: Caitlin Stella
- NBHD Executive Lead: Heather Havericak

- Clinical Service Collaboration
 - Continued progress with various specialties (new - Behavioral Health)
 - ECMO-specific protocols/coverage/draft agreement – in progress
 - Overall service collaboration - draft agreement under review by Legal
- Physician Privileging/Credentialing
 - In progress as needed based on clinical collaborations
 - PM&R leadership from JDCH fully credentialed
 - Streamlining process between institutions
- Site Visits
 - Completed at Salah Children's Hospital main campus & Children's Diagnostic & Treatment Center
 - Future – BH Coral Springs
- 6/8/22 - Joint presentation at Sunrise Town Hall re: Free-Standing ED

Specialty Services Collaboration

Adult Services

- SBHD Executive Lead: Peter Powers
- NBHD Executive Lead: Heather Havericak

- ECMO / Heart Failure Collaboration
 - Draft Collaborative Agreement – under review by Legal
 - NBHD invited to attend monthly ECMO / eCPR drill and multidisciplinary rounds
 - NBHD expressed interest in Heart Failure Physician Services provided by SBHD
 - Discussion regarding virtual consults underway, with potential for in-person consultations at a later date once AHF staffing permits

Sunrise Facility Workgroup

- SBHD Executive Lead: Nina Beauchesne
- NBHD Executive Lead: Ken Hetlage

- Broward Health will capitalize, own and license the facility
- The initial phase will include a Freestanding Adult and Pediatric Emergency Department (FSED)
- In addition to the FSED, initial construction may include shell space for possible future services
- Broward Health will manage and operate the Adult ER
- Memorial will manage and operate the Pediatric ER under the Joe DiMaggio Children's Hospital, although the pediatric ER will not be separately licensed from the Adult ER
- Both Facilities and Construction teams meeting to review and address zoning, design and construction
- Both Planning teams comparing assumptions and forecasting methodologies to develop the best statistical projections available
- Town Hall meetings in Sunrise to discuss emergency care project underway

Corporate Services Synergy

- SBHD Executive Lead: Dave Smith
- NBHD Executive Lead: Alex Fernandez

- TPN (IV Nutrition) Service collaboration considered
- Collaboration on COVID-19 FEMA Claim
- Collaboration regarding Medicaid Payment Models
- 340B Optimization – kick-off meeting held
- BH considering employed physicians joining Broward Guardian Medicare ACO
- Working together to renew HRSA Homeless Grant
