

Departmental Pride Report

Outpatient Infusion

Graeff Allergy and Specialty Clinics

Outpatient Infusion Staff

- Rachel Lames, RN - 4 years
- Brandy Summers, RN - 3 years
- Brittany McDermott, RN - 1 year

These 3 recently obtained training at the University of Iowa Hospital and Clinics on Cancer patient experiences and how to support them through journey, medically and emotionally.

Department Responsibilities

Providing quality local care to our community is what we strive for. This prevents long commutes to Des Moines or Iowa City. Procedures performed by the department include:

- Administering Intramuscular, Intravenous and Subcutaneous Medications.
- Allergy Injections.
- Transfusing blood products.
- Wound care.
- Subcutaneous Infusion port care/flushes
- Lab draws

We began new Infusions for COVID-19, Gout, Migraines, Multiple Sclerosis. These include:

- Antiviral Monoclonal Antibodies
- Krystexxa
- Tysabri
- Vyepti

Patient volumes have increased by just under 1,000 over the last 2 years. This is due to the persistence from staff and dedication from our Pharmacist.

Specialty Clinic Staff

- Tricia Klyn, RN - 9 years
- Malinda Kobes, RN - 5 years
- Christine Martin, RN - 1 year
- Rachel Rupe, Receptionist – 9 years

Graeff Allergy Clinic Staff

- Dr Ron Graeff - 7 years
- Cathy Bedner-Keith, RN - 7 years
- Julie Goode, RN - 7 years
- Teresa Sayre, RN - 7 year
- Megan Noll, Receptionist – 7 years

Providers

- We began offering Urology Services in 2020.
- Dr. Cleaver Dermatology has decided to stop providing outreach clinics due to the pandemic and staffing concerns.
- Devyn has been posting the Specialty Clinic Schedule (on the right) to Facebook for the last few years. This has increased phone calls and appointments.
- We are continuously recruiting for more Specialty providers, yet clinic space remains our biggest barrier.
