

*The items listed below are for informational purposes only. Any item may be moved to the full agenda for public vote at a subsequent Authority Board meeting.*

1. Hangar demolition is scheduled to begin September 28, 2020
2. FBO RFP bids have been reviewed and a recommendation was presented to the Board at the September 16 Special Called Meeting. The Board voted unanimously to award the contract for FBO Services to Crystal Coast Aviation
3. FAA CARES GRANT of \$69,000 has been received.
4. Public contact is still restricted in the administrative office; a table has been placed just inside front door with instructions on the door directing all packages, etc. to be left on that table. Door remains locked and access is limited due to COVID-19 concerns.
5. The NCAA Conference in Wilmington has been re-scheduled for March 8-11, 2021 in Pinehurst. Those of you that had been registered to attend, will have your hotel reservations cancelled. Attendees DO NOT need to contact hotel.
6. Mr. Anthony Held, our new Maintenance person is working out very well.
7. Talbert & Bright Update: **See Following Page**
8. NPE Funds: The balance of 2018 funds (\$996.00) plus the 2019 & 2020 NPE funds are dedicated to the Fuel Farm. We have indicated that we wish to designate as needed the 2021, 2022, 2023, & 2024 NPE funds toward the fuel farm. The 2018 & 2019 funds should be available shortly; DOA has set up a grant for accessing the funds.
9. The maintenance / FBO hangar siding repairs have been completed and roof has been replaced on Maintenance Hangar. Wall insulation repairs are yet to be completed. We have one quote of \$15,500.00 on motorizing the Maintenance Hangar door. Quote is attached.
10. RFQ's for Engineering Services have been received and the Selection Committee consisting of Chairman Joyce, and Board members W.F. Parker, John Floyd and Assistant County Manager have begun reviewing the submittals
