

the Ordinance, Solar Energy Systems are permitted by special use in AG-1 Districts.

4. To enable the Petitioner to construct the Project, two variances are required:
  - a. The Project is situated on a parcel of land that is comprised of 609.71 acres, more or less. Petitioner respectfully requests a variance to the screening requirements as set forth in Section D(1)(k) of the Ordinance. Specifically, the Petitioner requests to provide the screening options to any landowner adjacent to the 24-acre project area and not adjacent to the entire 609.71-acre parcel.
  - b. Petitioner respectfully requests a variance to the setback requirements as set forth in Section D(1)(f)(1)(ii) of the Ordinance with respect to the Project's proximity to the Jack Mabley Development Center ("the Center"). Specifically, the Petitioner requests that the Project be set back approximately two hundred twenty-five feet (225') from the foundation of the Center instead of the four-hundred-foot (400') setback set forth in the Ordinance. Petitioner is in the process of obtaining a waiver of setback from the Center.

5. The Petitioner, Meadow Solar, LLC, respectfully requests the Lee County Zoning Board of Appeals to set a date, time, and place for a public hearing on the contents of this Second Amended Petition for Special Use Permit and Variances.

6. The Petitioner, Meadow Solar, LLC, respectfully requests that the Zoning Board of Appeals recommend approval of the Second Amended Petition for Special Use Permit and Variances to the Lee County Board.

WHEREFORE, the Petitioner, Meadow Solar, LLC, requests that the Lee County Board approve this Second Amended Petition for Special Use Permit and Variances. In accordance therewith, the Petitioner respectfully requests the Lee County Zoning Board of Appeals to consider and make favorable findings regarding the following:

- a. The existing uses of nearby property are compatible with the requested special use.
- b. Property values are not likely to be diminished by any zoning restrictions related to this special use request.
- c. Diminution of property values is not anticipated as a result of this proposed special use and any diminution of property values would promote the public health, safety and welfare.

- d. The gain to the public if this special use is approved would outweigh any hardship to adjacent property owners.
- e. The subject property is suitable for the requested use.
- f. The proposed zoning is consistent with the Lee County Comprehensive Plan.
- g. There is a need for the proposed use of the subject property.
- h. The requested variances are not a mere convenience to the Petitioner, but rather, are necessary to alleviate certain hardships to Petitioner.
- i. The strict application of the screening requirements as set forth in Sections D(1)(k) and D(1)(f)(1)(ii) of the Lee County Zoning Ordinance for Solar Energy Systems constitute practical difficulties and hardships to Petitioner.
- j. The requested variances are in harmony with the Lee County Zoning Ordinance for Solar Energy Systems and the Lee County Comprehensive Plan.

Dated this 28<sup>th</sup> day of July, 2022.

Respectfully submitted,

MEADOW SOLAR, LLC, Petitioner
