

CONSENT AGENDA ITEM

STATE BOARD FOR COMMUNITY COLLEGES AND OCCUPATIONAL EDUCATION

June 12, 2024

TOPIC: Approval of Adjustments to Previously Approved Tuition and Student Fees Schedule

PRESENTED BY: Mark Superka, Vice Chancellor for Finance and Administration

RELATIONSHIP TO THE STRATEGIC PLAN:

Redefine our value proposition through accessibility, affordability, quality, accountability, resource development, and operational excellence.

EXPLANATION:

In April 2024, the Board approved the FY 2024-25 tuition and fees for all colleges.

However, Lamar Community College inadvertently did not include the existing fees for their Nursing 1089 course (Transition from LPN to ADN). As a result, they are requesting the approval of those fees, which can be found in Attachment A. In addition, Pueblo Community College was incorrectly listed as a college that offers a BAS in Emergency Services Administration Online, and they are requesting to be removed from the listings for those tuition rates (resident, non-resident, and WUE).

In addition, with the transition to Colorado Online, common course materials and fees are necessary for pooled sections that may have students from any of the system colleges. For the fall 2024 term, student fees for pooled Colorado Online sections are being submitted for Board approval that were not included in April Board meeting. These fees along with a brief explanation for why the fee is requested are included in Attachment A.

RECOMMENDATION:

Staff recommends the Board approve the fee adjustments described above and included in Attachment A.
