Student Technology Policy and Acceptable Use Agreement

Important information:

- Use of Charter School equipment and access to the Internet via Charter School equipment and resource networks is intended to serve and pursue educational goals and purposes. Student use of the Internet is therefore limited to only those activities that further or enhance the delivery of an educational purpose. Students and staff have a duty to use Charter School resources only in a manner specified in the Policy.
- DCP shall notify students and parents/guardians about authorized uses of Charter School computers, user obligations and responsibilities, and consequences for unauthorized use and/or unlawful activities. Before a student is authorized to use the Charter School's technological resources, the student and the student's parent/guardian shall sign and return the Acceptable Use Agreement specifying user obligations and responsibilities

Safety

- The Charter School shall ensure that all Charter School computers with Internet access have a technology protection measure that blocks or filters Internet access to websites that have no educational purpose and/or contain visual depictions that are obscene, constitute child pornography, or that are harmful to minors.
- DCP will follow and establish internet safety guidelines for students
