What interests you about position you are seeking appointment for?
Investing and improving public transportation touches so many different areas in our community. From tourism and economic development, to quality of life factors for our workforce, seniors and disabled, public transportation plays a significant role. I am hopeful for the opportunity to share ideas and expand on our current transportation infrastructure to continue to meet the needs and wants of this community.
Brief description/account of your professional journey:
I hold my property and casualty, life, and health insurance licenses in IL, as well as my Financial Securites license. I currently am serving my 1st term on Dixon City Council and plan to pursue a re-appointment to that seat in the upcoming election in 2023. I am passionate about 1st responder mental health and wellness, and consider myself to be a strong community advocate. I am currently the Market President in Dixon for Sauk Valley Bank, and serve on TNPS board as well as the volunteer board for the United Way of Lee County.
Professional specialties and/or relevant areas of expertise:
I feel I communicate well. I have a strong ability to build relationships with others while still being able to navigate hard conversations and decisions. I have some experience with writing and submitting grants, and an understanding of navigating a complex budget.
Academic honors and significant accomplishments:
One of my biggest accomplishments is the collaboration and implementation of Dixon's 1st Resiliency Program for our 1st Responders. With the buy-in of both unions, we were able to lay the foundation for this program. It is something that I am incredibly proud to be a part of. I also helped to create and facilitate the Small Buisness Grant program for the City of Dixon in collaboration with LCIPA. During COVID- I helped to organize funding and facilitate meals to our medical and support staff at KSB & Dixon Rehabilitation Center.
