Linda Roan is the Chief Nursing Officer at East Morgan County Hospital (Banner Health) in Brush, Colorado. She holds a Master of Nursing degree with a specialization in education. Ms. Roan has over 30 years of nursing leadership experience, including more than twenty years as a nursing adjunct faculty member with the University of Phoenix. Her background also includes nine years as the Nursing Program Director at Pikes Peak Community College, which provided her with first-hand experience working in a CCCS college. Linda Roan's background in health care administration and nursing education uniquely equips her to continue providing valuable insights as a member of the MCC's Advisory Council. She is unanimously recommended by the other members of the Advisory Council to be reappointed to serve another four-year term.
